

MARI 
MARTIN
— Photo

HEY THERE!

I'm Mari

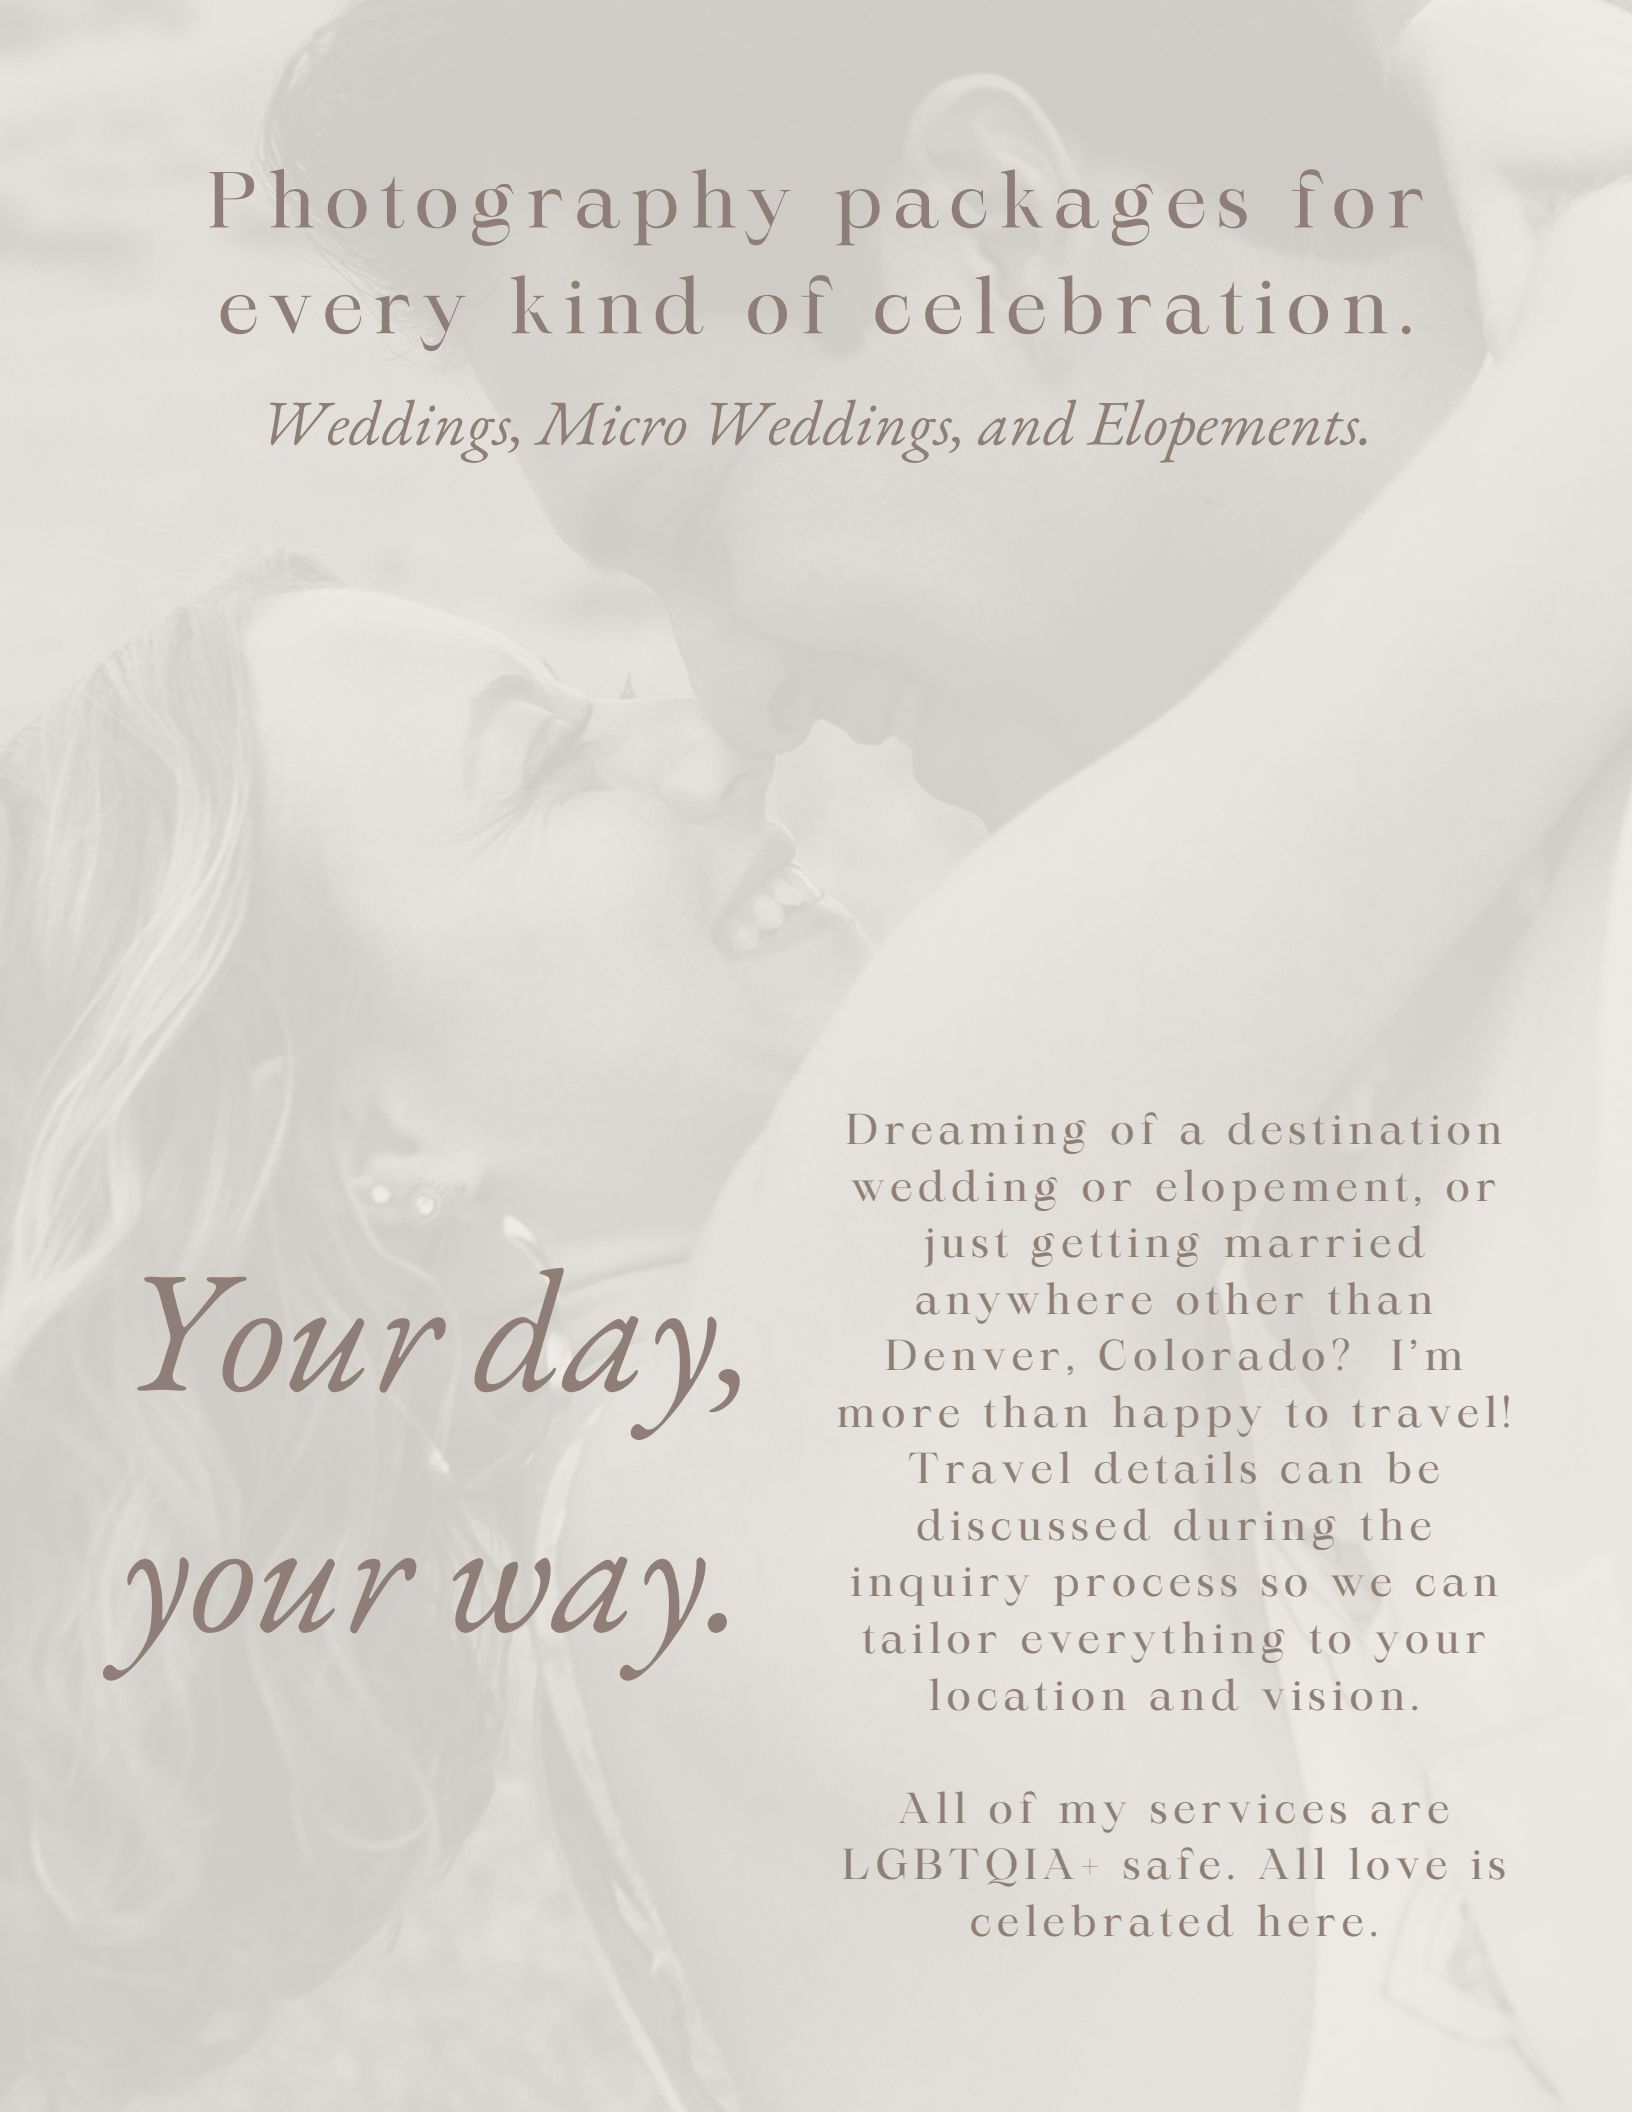

I'm Mari Martin (pronounced like Mary, she/her), owner of Mari Martin Photo! I am 26 years old and based out of Denver, Colorado. I have been a photographer since 2018, having been full time for almost over three years.

I have been shooting weddings since 2020 (my first wedding was an at home pandemic wedding)! Immediately after shooting my first wedding, I felt so passionate about the story telling of wedding day photography. I am a lover girl at heart, and value everyone's unique stories.

Three words to describe my wedding photography style are Documentary, Natural, and Elevated.

Quick facts about me:

- I am a dog mom to my sweet rescue girl
- I was recently a bride, I got married on 6/27/26!
- I was born and raised in Kansas City until I moved to Denver July of 2025.
- I have been a dancer since I was 3 years old and I still teach dance!

The Experience

SERVICES GUIDE

What goes down.

My goal is for you to know exactly who you are booking, and to book with confidence. If you have any questions about this process, please let me know during our initial meeting!

01

The Meeting

Congratulations, you are on Step one!! So what's next? Shoot me an inquiry form on my website. You will hear back from me ASAP to schedule an initial meeting (audio, Facetime, or Zoom - whatever you are most comfy with). Here we will chat more about the specifics of what you're looking for, ask any questions that you have, and get to know each other!

02

The Booking

You decided that I am the perfect fit for your wedding day- YAY!! We will now sign a contract and pay a down payment of 35% of the total price of your wedding day. I will let you know this exact amount during your initial meeting. (Down payment due dates are based around everyones circumstances/ability to pay. The average due date is 1-3 months). Once those two things are done, you are BOOKED!

03

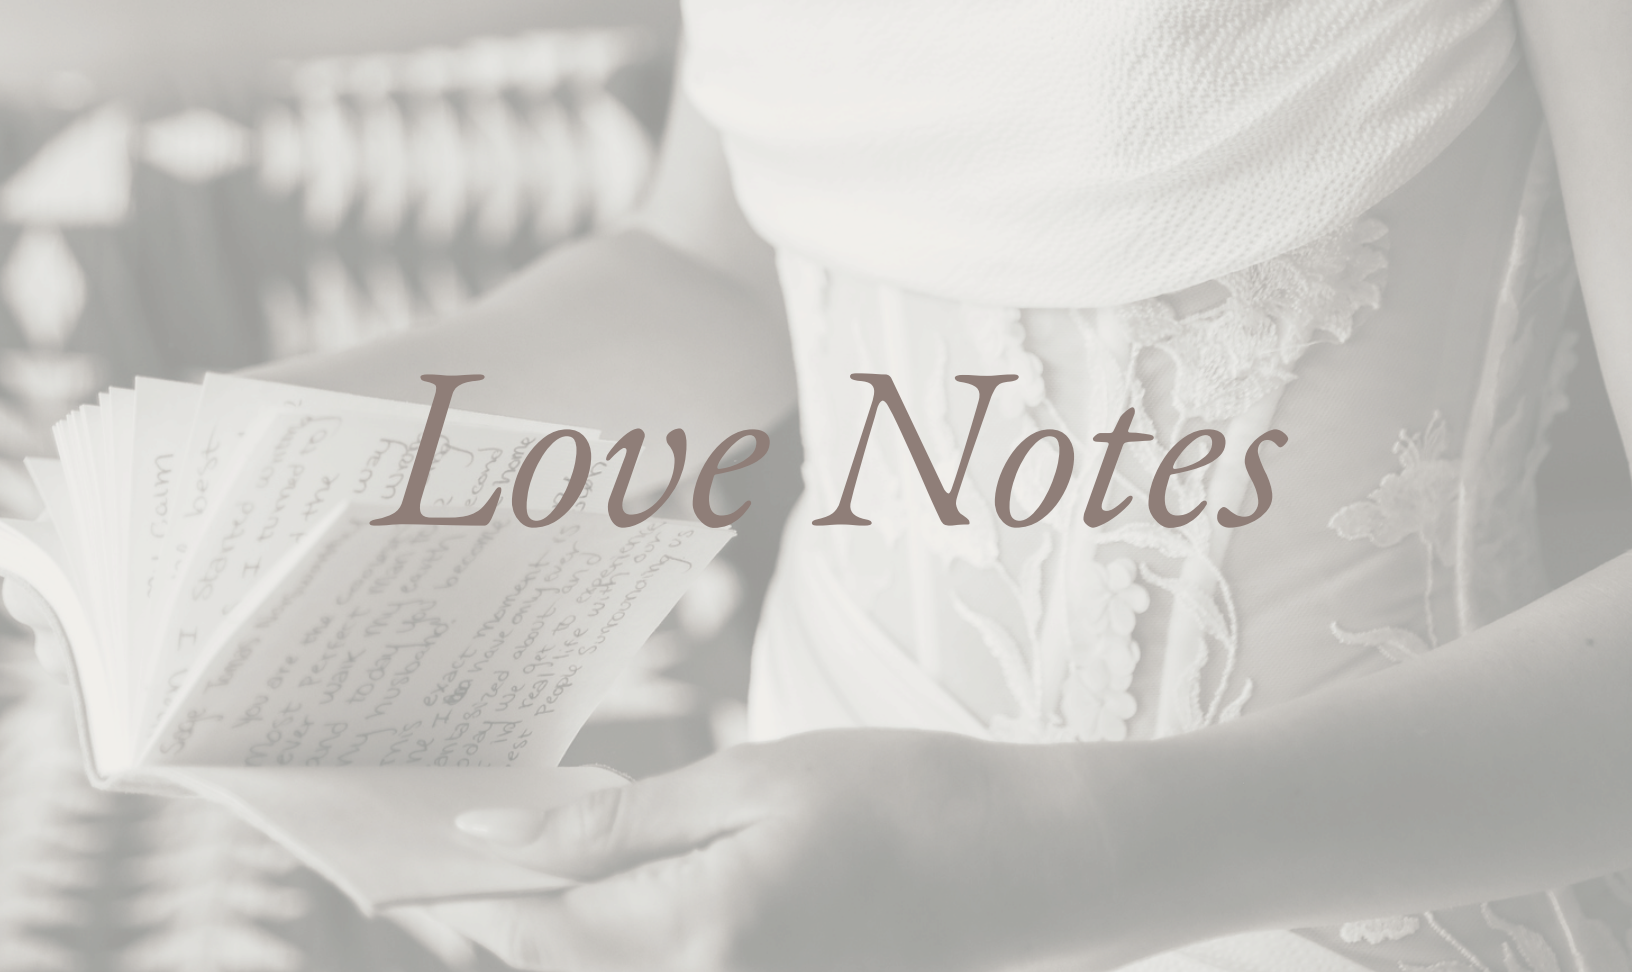

The Planning

We will meet 1-2 months (just depending on what all you have finalized) before your wedding day to discuss details, create a custom photography timeline, and talk about expectations for the day. Share all of your inspiration pics/videos and ideas with me! This meeting should take 30 mins-1 hour.

04

Wedding Day and Delivery

Once the greatest day of your life has concluded, I will carefully edit all of your photos with love and deliver them via an online high definition gallery. Turn around times are dependent on which package you chose, but it can range from 1 month to 3 months. Every package of mine comes with a 24 hour sneak peek gallery!

Love Notes

Mari did an absolutely incredible job with our wedding photos. Not only did she capture every special moment, she does an amazing job making you feel comfortable and guiding you if you're unsure of what to do. She continues to exceed our expectations.

Cameron + Taylor

When I tell you Mari captured my wedding day perfectly, I truly mean it. I knew I wanted Mari to photograph my wedding because not only would I be getting amazing photos, but also a hype woman and friend by my side the entire day. I can't recommend Mari enough!

Alyssa + Luke

For our wedding day, we wanted to capture feelings & personality, as well as unique & high fashion poses. Mari is vogue, & nothing less. She is a creative soul that takes time to know your vision & get to know you. She will be your friend capturing what is most important to you—not a stranger capturing the bare minimum.
